Dear Exhibitors,

At the **17th Ho.Re.Ca. GASTexpo** we will recycle together waste responsibly and be even kinder to nature than last year.

Cleaning of stands and exhibits by exhibitors is permitted every day of the fair, as stated in the Exhibitor Instructions. After opening hours of the fair, all cleaners must leave the fairground. Cleaning of the exhibition area **can also be ordered at the fair reception.**

During the fair, the exhibitor **is obliged to separate the waste** in the different coloured bags. They will be available **daily** and we will bring them to your exhibition space (separate: **blue bags - paper and cardboard, black bags - organic waste, red bags - packaging, clear bags - used masks and sanitary napkins**).

After the fair opening hours, please place the separated waste on the stand. Waste collection is organised by GR. During the **set-up and dismantling** of the exhibition stands, waste must be delivered to GR landfill sites:

- **Only during installation and dismantling.**

All waste must be properly separated. In the event that the exhibitor fails to separate waste properly, the organiser may sanction the exhibitor in accordance with the Application/Contract for the 17th Ho.Re.Ca. GASTexpo or the exhibitor may be liable for the costs of any additional separation and inspection sanctions.
